IT'S NOT JUST FOR THE WEALTHY

Who Are We

We are women in real estate. The plan is a crowdfunding style investment team with women of course! This allows a group of us to invest in a fund comprised of joint projects. The platform will also allow individuals to invest in projects nationwide “By 25-50 individuals.” $100 per project minimum buy in and then at least $100 per month (covers cost) which will be able to be out back in based on the ROI.

What Do We Do

The Mogul Enterprise team is working on the layout of put Airbnbs, the will be called the ThinQHouses. Each home gives a different vibe to attract a different tribe. The Glam Cave is a safe haven for women, and a place for traveling entrepreneurs to unwind, retreat and put in WERK.

Being apart of the team allows someone to have stake in the space and to rebt it out anytime they would like for $99 where others will be charged $149 a room $299 for entire hone! Of course that us not all of the value we provide our Moguls, there is so MUCH MORE.
